BILLINGS STUDENT WINS \$1,000 GERARD SCHOLARSHIP

MISSOULA--

A University of Montana student from Billings, Aileen Ann Schottlaender, has been awarded the \$1,000 Sumner Gerard Scholarship for 1981-82.

Schottlaender, a sophomore in pre-nursing, also won the scholarship last year and was a member of two UM freshman honor societies.

She is the daughter of Richard and Peggy Schottlaender of Billings and graduated from Billings Senior High School in 1980.

The Gerard Scholarship was established in 1969 by Sumner Gerard Jr., New York, N.Y., in memory of his father, Sumner Gerard, for outstanding UM students from Madison, Beaverhead or Yellowstone Counties.

The scholarship is given from the more than \$150,000 in undergraduate scholarships funded by the UM Foundation. Founded in 1952, the UM Foundation has become the principal source of academic scholarship funds for the University, providing scholarships in virtually every discipline.

Many of the scholarships are offered in honor of deceased alumni, parents or friends as well as other distinguished Montanans and supporters of higher education. Persons interested in creating new scholarships are encouraged to contact the UM Foundation at (406) 243-2593.
